

Unbreakable Faith

*How God's Perfections Give Life, Joy, and Thriving Assurance
in a World of Unbelief*

Course Description

Unbreakable Faith explores the infinite excellence of God's perfections, exposes unbelief as irrational and unscientific blind faith, and demonstrates the impossibility of the universe apart from God. Christianity not only gives purpose, meaning, and eternal life, it forms the necessary basis for science, logic, and all right thinking.

Course Benefits

- Immunizes believers against the most sophisticated arguments of unbelief
- Strengthens joy, faith and assurance in Christ and Scripture
- Exalts the infinite excellence of God and nurtures a deeper love for God
- Provides a powerful and practical means to address the deepest theological difficulties and mysteries
- Saves time, effort, and eliminates confusion and clutter of different perspectives
- Makes defending the faith simple and available to all Christians without the need for lengthy seminary courses or the reading of numerous, lengthy, and technical books

Course Format

The seminar is offered in a live, interactive webinar format for Sunday school, small or large groups, at home or at church, in sessions from 30 minutes to 4 hours each, according to your needs and schedule.

Technology Requirements

- Computer and monitor or laptop computer
- Web browser (Internet Explorer, Chrome, FireFox, Safari)
- High-speed internet connection
- Video projector, screen, and sound system

Cost: \$175 for self-contained, online format; live formats are \$125 - \$350 per session, based on format and duration.
