“ God the Reason is a remarkable work. It presents the knowledge of God, in all of its transcendent importance and breadth, in a way that is accessible, clear and spiritually invigorating. If you are thirsting for a deeper and more personal knowledge of the Lord of the universe, drink deeply of this study. The divine perfections celebrated here will bless your life, stir your reason and ground your faith on an unmovable foundation.”

- DR. PETER A. LILLBAC

President, Westminster Theological Seminary, Philadelphia

“ God the Reason is a wonderful book. It is easily clear enough to put in the hands of a layman, but also profound enough to challenge and edify the scholar. I recommend that you get a copy as soon as you can.”

- DR. MARK FARNHAM

Professor, Lancaster Bible College

“ Although my children are still in the elementary grades, I am so thankful for Dr. Biehl's course. Sitting under Craig's teaching has helped me as a parent to more accurately teach and mold a foundation in the Lord. The insights and presentation of sound, methodical reasoning disarm the typical attacks on the Bible from our popular culture. Unbreakable Faith is a must for any Christian in today's world!”

- TAMI PERRIN

Homeschooling Mother and CHAP (Christian Homeschool Association of Pennsylvania) 2014 Convention Coordinator, Hatfield, PA

“ Our youth have benefited immensely from Dr. Biehl's Unbreakable Faith weekend seminars in 2012 and 2015. In a personal way that magnified Christ and drew in their attention, Dr. Biehl effectively built the foundation of knowing/defending truth on the infinite excellence of God's perfections. What an incredibly refreshing approach to preparing believers for college and the workforce. A weekend seminar format is perfect for high school and college age groups and wets the appetite to know and savor more of the infinite excellence of Christ.”

- CHRIS SPLAWN

Youth Minister, Believer's Chapel, Dallas, TX

“ We had the joyful privilege of sitting under our brother Craig's teaching on several occasions. His series in which he builds a sound defense of the faith on the attributes of God is masterfully done, a delightful experience. Your life will be enriched and you will be much more prepared to defend the Christian faith. I recommend this course to any believer and would encourage home schooling parents to seriously consider this course for their teens!”

- BOYD PERSONETT

Pastor, Reformed Baptist Church of Franconia, PA

“ Unbreakable Faith is a great resource as we help our teenaged children become grounded in the faith that they claim. This is a wonderful course for Christians of all ages, we highly recommend it!”

- JOHN AND JOAN DOUGLASS

Homeschooling parents and church elder, Puyallup, WA

“ Dr. Biehl exposes the faulty presuppositions of unbelief, shows how they lead to absurdity, and offers a far more compelling foundation built on God's perfections as revealed in Scripture. We and our (then teenage) daughter profited greatly from Dr. Biehl's course and recommend it to anyone who is seeking solid ground for an intelligent, biblical faith.”

- SAM AND MARY LOU HARDMAN
